#### THE PROMENADE ITSELF.

The Junior Promenade will be held on Tuesday night at the Second Regiment Armory. The committee in charge is composed of Grenville Parker of New York, chairman; Frank Hunter Simmons of Brooklyn, N. Y., floor manager; Julian Starkweather Mason of Chicago, David Francis Rogers of New Canaan, Conn., Herbert Draper Gallaudet of Washington, D. C., Morris Upham Ely of Brooklyn, Jewett Hamilton Scranton of Madison, Conn., David Cushman Twichell of Hartford and George Gebner Schreiber of Hoboken, N. J.

The music will be furnished by Lander of New York, and will consist of a string band and orchestra. As usual, the band will be placed at the middle of one side, and the orchestra directly opposite. Koster of New York will have charge of the decorations, which will be yellow and white. The ceiling will be blue and the walls and boxes will be draped in yellow and white. At intervals around the hall, large Grecian pillars have been erected against the walls, which will, to a certain degree, do away with the rough appearance of the archway. Champion, of New Haven, will have charge of the floral decorations.

Maresi, of New York, has been engaged as caterer this year. The arrangements for supper will be the

same as in former years. Boxholders will be served in their boxes and the "stags" separately.

#### WHAT IS

#### INHALER ?

X-ODE is a product of electricity. It forms on  
asbestos while being electrically treated in a  
solution. This asbestos is put up in a glass vial.  
When the cork of the vial is removed and the air  
comes in contact with the asbestos, it emits from  
the inhaler a soothing gaseous substance, which  
will penetrate any part of the body. When inhaled  
through the nose or mouth, it penetrates every  
nook and crevice of the mucous surfaces, kills the  
germ that causes the disease, and gives the tissues  
a healthy condition, thus effecting a permanent  
cure. It is unlike snuff, drugs or medicine. X-ODE  
penetrates parts that it would be impossible for  
drugs or medicines to do.

Catarrh, Asthma, Hay Fever, Coughs, Head-  
ache, Bronchitis, LaGrippe, etc., yield to its influ-  
ence with marvelous rapidity.

This inhaler lasts from one to three years.  
Trial size inhaler, 15 cents; large size inhaler,  
\$1.00. All druggists or by mail.
