ATHLETIC NOTES.

Plans for Spring Regatta—Work of the Various Teams.

In addition to the regular class races held at the Spring regatta in competition for the Cuyler Cup, races will be held this year between scrub crews, made up in the various classes, probably according to dormitories or eating clubs. It is generally thought that the idea of encouraging more men to take part in regularly organized athletic contests is a good one, and closer inspection shows that there are many men in every class who would be ready and anxious to row on such crews in the regatta. Combined efforts are being made this year by the Yale Navy Management and the Dunham Boat Club to stimulate interest in this matter.

It is the plan of these clubs to furnish two paper shells, two eight-oared, two four-oared and four pair-oars. Crews will probably be organized in the near future and will then be supplied with coaches by the University management, so that work can be done systematically and thoroughly. Considerable interest has already been shown among the undergraduates to enter into the plan with enthusiasm, and there is every reason to hope that a very successful and unique feature of the Spring regatta many thus be added to the regular program.

The work of the crew has progressed steadily during the past week, the men having been at the harbor regularly every day. The launch has been made ready for use and Mr. Cook has been greatly aided in his coaching thereby. Mr. G. A. Adey, '67, was at the boat house last Saturday, watching with interest the progress of the crew. The first crew rowed as follows last Monday: J. H. Simpson, '97, stroke; G. Langford, '97S, 7; P. Whitney, '98, 6; P. H. Bailey, '97, 5; G. T. Marsh, '98, 4; H. G. Campbell, '97, 3; R. Hitchcock, '97S, 2; D. F. Rogers, '98, bow. There are eight other men in the squad.

BASE BALL CANDIDATES REDUCED.

The work of the University baseball men has been carried on at the Field whenever the weather has permitted. The following now compose the squad: Fincke, Reed, de Forest, Turnbull, Hecker G. and F., Betts, Wadsworth, Hamlin, Stewart, Chauncey, Ware, Davis, Wallace, Atkin, Montague, War-

ren, Burrell, Conner, Bement, McKell, Greenway, Letton, Bartlett, Broach, Camp, Hobbs, Hazen, Fearey, Goodwin, Davis, Hall, Dunn, A. Williams, Keator.

The Freshman base ball squad was reduced on Saturday, March 20, and now consists of forty men, as follows: Russell, Segelbaum, Crawford, Norton, McKelvey, E. S. Bronson, Winters, Ellerbe, Decrow, Simmons, Phillips, Lyon, McBride, Hutchinson, Seeley, Lamb, Ferguson, Hackett, Dashiell, Oglebay, Tiffany, McCullagh, Gleason, Small, LeBoutillier, Saunders, Burns, Maloney, R. F. Grant, B. S. Adams, Colvocoreses, Newcombe, Shattuck, Winter, Colgan, J. P. Adams, Clark, H. L. Bronson, Alexander, Dunleary.

PLANS FOR THE TRACK TEAM.

The management of the University Track Team have completed the schedule of events, in which the Yale team will take part for the remainder of the year. It has been definitely decided that Yale will not meet Princeton this year in dual track athletic games, as there are so many events in which the men will have to take part, that it would not be an easy task to make arrangements for the meet.

Yale will enter a relay team at Chicago against the University of Wisconsin, April 17, and a team will be sent to the annual relay races of the University of Pennsylvania, April 24. In addition to these most of the track men will probably be entered at the annual spring games of the Princeton Athletic Association; at the annual games of the Seventh Regiment in New York; at two preliminary meets at Yale Field this Spring; at the dual meet with Harvard here, May 15; and at the annual intercollegiate games at Mott Haven, May 29, where they will meet representatives from all the principal universities and colleges. The last event of the season will be the intercollegiate relay race, which will be one of the events in the games of the New Jersey Athletic Club at Bergen Point, May 31.

Six men will probably be taken on the trips to Chicago and Philadelphia. There are seven now at the training table, and the number will be increased before long.

The work of the sprinters has been performed on the old gymnasium lot, which has recently become hard and dry enough to serve for practicing starting and short dashes. It is hoped that the track at the Field will be in good condition in a week or two.

PENNSYLVANIA DEFEATED.

Yale Basket Ball Team Victorious. Work of the Season.

Yale and the University of Pennsylvania met in athletics for the first time in nearly four years at the gymnasium on Saturday, March 20. The game was basket ball and Yale won by a score of 32 to 10. Four hundred people assembled to see the game and witness the reunion of the two universities. Upon entering the hall, the Pennsylvania team gave a cheer for Yale and Yale responded with nine rah's for Pennsylvania.

After short preliminary practice the game began promptly at 8:30. As all players of basket-ball know the three most important points in the game are team play, accuracy in throwing and "snap." The fact that running with the ball is prohibited makes the first of these perhaps the most important. It was evident from the start that while both Yale and Pennsylvania played a quick, snappy game, the Yale men were more accurate in reaching the basket. The team play on both sides was remarkably good, and if the Pennsylvania men did not do quite as well at first, this was probably due to their being on a strange floor, as they played in almost perfect unison in the second half.

Yale started out well and Beard caged the first goal in forty-five seconds. This was followed by another by Sharp and a goal from foul by the same player. In the next play Beard was pushed hard against the wall and was slightly dazed, but resumed play after five minutes' rest. The fourth and fifth goals were made by Captain Peck, and the next two by Clark and Rockwell, all of Yale. De Loffre now made the first goal for Pennsylvania. At this point the visitors took a decided brace and caged two more goals before the end of the half. The Yale men, who seemed to be everywhere at once, scored five more goals before time was called.

During the intermission a tumbling exhibition was given by C. F. Gloth, '97; F. F. Anderson, '98S.; A. H. Terry, '98; H. L. M. Hoffman, '97, and B. L. Cadwalader, '98, and an excellent exhibition in club swinging by Mr. George A. May, of the Yale Gymnasium.

In the second half the playing proved much more even than earlier in the

And we spoke last week of the opportunities to order from many hundred samples of fancy shirtings.

But we have a lot of mighty nice ones all made up.

game, and the interest of the spectators was heightened to a considerable degree. Two goals were caged by Pennsylvania in this half and five by Yale, making the final score 32 to 10 in Yale's favor. The features of the game were a very difficult goal by Beard of Yale and a pretty dodge by Milligan of Pennsylvania, that resulted in a goal. The line up and summary is as follows:

THE YALE PLAYERS.

The men that have represented Yale during the season are W. H. Peck, '98; L. L. Beard, '99; J. K. Clark, '99; M. W. Rockwell, '98S; and A. H. Sharp, special.

William Hazen Peck, '98, is from New Britain, Conn., where he prepared at the High School. He played for four years before entering college and was elected captain of the team a year ago.

Luther Louis Beard, '99, played for two years before entering Yale at Wittenberg College, Ohio, where he was captain of the team. He may be said to be the surest man on the team.

John Kirkland Clark, '99, prepared at the Brooklyn Polytechnic School, and had some experience in the game before coming to Yale.

Maxwell Warren Rockwell, '98S., is from Woodstock, Conn. He began the game last year and in the short time he has played has developed into a good player. His best point is his accurate throwing for the basket.

Alexander Harper Sharp of New Haven played for the first time this winter. He took to the game from the first and is one of the best men on the team.

Of the 150 goals made by Yale during the season, 54 were thrown by Sharp, 33 by Clark, 25 each by Peck and Beard, and 13 by Rockwell.

THE SEASON'S WORK.

The basket ball team has played sixteen games during the Winter, of which it has won eleven, lost four and tied one. A summary of games played is given below:
