

## PENN. WINS.

### The Events of the Intercollegiate Reported in Detail.

The University of Pennsylvania won the Twenty-second annual Intercollegiate Track and Field Meet at Berkeley Oval on Saturday, beating out Yale, her closest rival, by nearly 10 points.

The meet was notable for the fact that new records were established in three of the field events, and that Wefers was beaten in the 220 yard run. Winsor of Pennsylvania added two inches to his record jump of 6 feet 1 inch made last year; Johnston of Yale surpassed by seven-eighths of an inch the pole vault record of 11 feet 2-3-4 inches, held jointly by Hoyt of Harvard and Bucholz of Pennsylvania; and Woodruff of Pennsylvania threw the hammer 7-1-2 inches further than the best in the intercollegiate throw, made by Hickok in 1895. The times in the track events were all affected by the stiff wind which blew directly up the home stretch and added fractions of a second to times in the high hurdles, 440-yard and 229-yard runs, which might otherwise have endangered intercollegiate records for the distance.

A feature of the games was the strong showing made by Princeton, which college, for the first time in years, was a prominent factor in the Intercollegiate and came within a fraction of a point of tying Harvard for third place.

The victory of Pennsylvania was due to the presence of star athletes on her team, rather than to any pronounced superiority in the all-around development of the team itself. Yale lost expected points in the shot and hammer events, particularly, and in the mile walk, in which all four other representatives were disqualified in succession by the judges of walking, Mr. Dimse, Mr. C. H. Sherrill, Yale '89, protested the event on the grounds that the judge had not warned the Yale men sufficiently. The matter was referred to the Executive Committee of the Association for future consideration.

Below is given a summary of the different events of Saturday, the preliminaries having been disposed of on Friday. The bicycle races, which form a part of the Intercollegiate, will not occur until Saturday next, but the eight points which hinge on this event are not sufficient to permit by any possibility a reversal of the verdict in the other events.

#### ONE HUNDRED YARDS RUN.

Semi-final round. First heat won by B. J. Wefers, '98, Georgetown; R. D. Hoffman, '99, Pennsylvania, second; F. W. Jarvis, Princeton, 1900, third. Time, 10 3-5 seconds. Second heat won by C. D. Whittemore, '99, Syracuse; T. E. Fisher, '98, Yale, second; L. W. Redpath, '98, Harvard, third. Time, 10 3-5 seconds.

Final heat won by Wefers, Georgetown; Fisher, Yale, second; Whittemore, Syracuse, third. Time, 10 2-5 seconds. Intercollegiate record for the distance, 9 4-5 seconds, made by Wefers last year.

Wefers, Hoffman and Jarvis, the three sprinters who, from their showing in the preliminaries, were thought to be the most likely winners, met in the first heat and finished in the order named about two feet apart. Byers, of Yale, who had qualified in the preliminaries, was also in this heat but could get not better than fourth place. In the second heat Whittemore of Syracuse, who has a record of 10 seconds, and Fisher of Yale, ran what was almost a dead heat, the former winning by a few inches. Redpath of Harvard was third. In the finals Wefers won by four feet from Fisher, who reversed the order of the previous heat by beating out Whittemore for second place by a narrow margin.

#### ONE HUNDRED AND TWENTY YARDS HURDLES.

Semi-final round. First heat won by E. C. Perkins, '98, Yale; F. T. Van Buren, '98, Yale, second; J. M. McKibben, '99, Pennsylvania, third. Time, 16 3-5 seconds. Second heat won by J. H. Thompson, '97, Yale; F. B. Fox, L. S., Harvard, second; P. Van Ingen, '97, Yale, third.

Final heat won by Perkins, Yale, Fox, Harvard, second; Van Buren, Yale, third. Time, 16 seconds. Intercollegiate record, 15 4-5 seconds, held jointly by Williams, Yale, and Chase, Dartmouth.

Perkins and Van Buren ran like a team in the first heat, until the last three hurdles, when the former drew away from his team-mate. In the second heat Thompson and Van Ingen got off together ahead of the others but Fox of Harvard came up swiftly and beat Van Ingen out for second place at he tape, Thompson getting first. The final was a beautiful race, all four of the survivors from the preliminary trials getting over the first hurdles in line. Perkins then began to leave his opponents with Fox in hot pursuit. The Yale man jumped a little too high over the ninth hurdle and

Fox drew even, but Perkins made a beautiful finish and won by over a foot. Van Buren finished ahead of Thompson for third place.

#### QUARTER MILE.

Final heat won by T. E. Burke, '97, Boston University; F. P. Garvan, '96, Yale, second; R. D. Hoffman, '99, Pennsylvania, third. Time, 50 2-5 seconds. Intercollegiate record, 49 1/2 seconds, made by G. B. Shattuck of Amherst, 1891.

Burke cut out ahead at the first turn and never left the result in doubt thereafter. He was closely followed by Hoffman of Pennsylvania, Garvan of Yale keeping in third position. At the second turn Garvan began his spurt, passed Hoffman and ran a well judged race to the tape, which he reached six yards behind Burke and about 18 inches ahead of Hoffman who had been gaining at the finish.

#### ONE MILE WALK.

Won by G. W. Orton, P. G., Pennsylvania; J. F. Cregan, '99, Princeton, second; D. Grant, M. S., Harvard, third. Time, 4 minutes and 25 seconds. Intercollegiate record, 4 minutes, 23 2-5 seconds, made by Orton in 1895.

Fifteen men were entered in this event. Lewis of Yale set the pace in the first quarter, but dropped out soon after and Poynter of Yale led the field to the half way mark which was reached in 2 minutes 11 4-5 seconds. Here there was a general closing up, Cregan being ahead at the three-quarter mark, with Wright of Brown, who was making his spurt, second, and Orton third. Then began a beautiful struggle between Cregan and Orton for first place. Cregan led all the way to the back turn and neck and neck they entered the home-stretch and spurred for the tape. For fifty yards they ran as if yoked-together, but Orton had the most strength left and breasted the tape a winner by five yards. Grant of Harvard finished ten yards behind Cregan. Speer of Yale, who defeated Grant in the Yale-Harvard games, could not get better than fifth place, although he tried hard to score.

#### ONE MILE WALK.

Won by W. B. Fetterman, '98, Pennsylvania; J. D. Phillips, '97, Harvard, second; E. C. Zeller, '99, Cornell, third. Time, 6 minutes, 55 4-5 seconds. Intercollegiate record, 6 minutes, 52 4-5 seconds, made by Borcheling of Princeton.

Fetterman started off in the lead, with Butler of Yale second. Adams and Darrach of Yale were ruled off by the judge in the first quarter. Butler of Yale kept close to Fetterman for two laps, when he was disqualified by the judge who declared his style unfair. This left Hitchcock as the only Yale representative on the track, and in response to the cheers of the Yale spectators he advanced from sixth to fourth place. He was steadily overhauling the man in front of him on the back stretch of the last lap when, apparently without being warned, he was ordered from the track by the judge, Mr. Dimse of the Pastime A. C. Mr. C. H. Sherrill in behalf of Yale filed a protest but it is not likely that the Executive Committee will take any action in the matter, as the decision in regard to what constitutes fair walking must in the nature of the case rest entirely with the association's officials.

#### TWO HUNDRED AND TWENTY YARDS HURDLES.

Semi-final round. First heat won by E. C. Perkins, '99, Yale; M. V. Bastian, '98, Pennsylvania, second; L. Warren, S. Harvard, third. Time, 25 3-5 seconds. Second heat won by W. G. Morse, '99, Harvard; L. E. Jones, '99, Princeton, second; P. Van Ingen, '97, Yale, third. Time, 26 3-5 seconds. Final heat won by Perkins, Yale; Morse, Harvard, second; Pennsylvania, third. Time, 25 4-5 seconds. Intercollegiate record, 24 3-5 seconds, held by Bremer of Harvard.

Perkins beat Bastian out by a small margin in the first heat, and Jones of Princeton made a good fight against Morse of Harvard in the second trial. All three places qualified for the finals in the first heat while only first and second places in the second heat admitted to the final event. This left Perkins the only Yale man in the finals. He kept up his phenomenally consistent form and won from Morse of Harvard over the last hurdle by a yard, and only the wind prevented the time from being a record. It was a beautiful race. Bastian finished a good third ahead of Jones.

#### TWO HUNDRED AND TWENTY YARDS RUN.

Semi-final round. First heat won by B. J. Wefers, '98, Georgetown; J. W. Tewksbury, '99, Pennsylvania, second; T. R. Fisher, '98, Yale, third. Time, 23 seconds. Second heat won by J. H. Colfelt, 1900, Princeton; J. W. Ehrich, Columbia, second; R. D. Hoffman, '99, Pennsylvania, third. Time, 22 3-5 seconds. Final heat won by Colfelt, Princeton, Wefers, Georgetown, second; Tewksbury, Pennsylvania, third. Time, 22 3-5 seconds. Intercollegiate record, 21 1-5 seconds, made by Wefers last year.

Wefers and Colfelt both won their heats easily, but every one looked to see the former secure first place in the final. Colfelt however, ran a magnificent race, led the Georgetown flyer and Intercollegiate record holder from the start and crossed the tape a winner by a yard. Fisher of Yale failed to get a place.

#### HALF MILE.

Final heat won by E. Hollister, '97, Harvard; L. J. Lane, '99, Pennsylvania, second; A. Grant, 1900; Pennsylvania, third. Time one minute, 58 2-5 seconds. Intercollegiate record, one minute 58 4-5 seconds, made by Hollister last year.

Hollister jumped to the front at the crack of the pistol and opened up a gap of fifteen yards, which he maintained till the end, although he finished in distress. Grant and Lane had a close race for second place, the latter winning by a narrow margin.

#### SIXTEEN POUND HAMMER.

Won by W. G. Woodruff, '97, Pennsylvania, with a throw of 136 feet, 3 inches; J. C. McCracken, '99, Pennsylvania, second, throw, 133 feet, 3 inches; C. Chadwick, '97, Yale, third; throw 129 feet, 6 inches. Previous intercollegiate record, 135 feet, 7 1/2 inches, made by Hickok in 1895.

Woodruff failed to excel his record throw in the preliminary trials, but this proved sufficient to give him first place. Chadwick of Yale could not equal his practice throws and was unable to secure a higher relative position than he did in the trials.

#### POLE VAULT.

Won by B. Johnson, 1900, Yale, with a vault of 11 feet, 3 3/4 inches; W. W. Hoyt, M. S., Harvard, second; vault, 11 feet, 1 1/2 inches; R. G. Clapp, '99, S., third; vault, 11 feet, 5/8 inch. Previous intercollegiate record, 11 feet, 2 3/4 inches, held jointly by Hoyt of Harvard and Bucholz of Pennsylvania.

J. L. Hurlburt, Wesleyan and A. C. Tyler, Princeton, tied with Clapp for third place in the regular competition, but in the vault-off for the medal, Clapp disposed of his rivals. The point however, was divided in three according to the rules of the meet. Johnson's vault establishes a new intercollegiate record.

#### RUNNING HIGH JUMP.

Won by J. D. Windsor, Jr., '97, Pennsylvania, with a jump of 6 feet, 3 inches; second, R. C. Merwin, '99, S., Yale; jump, 6 feet, 1 inch; third, I. K. Baxter, '99, Trinity, third; jump, 6 feet, 1 inch.

The five men who qualified in the trials on Friday contested in the finals. There have not been so many star high jumpers for years as there has been this year. While the officials were preparing for the mile run the spectators were startled by the announcement that all five of the high jumpers had cleared six feet. Winsor disposed of his opponents at 6 feet 1 inch, but he continued in an attempt to beat the record. He succeeded in surpassing by two inches the record jump made by himself last year. Merwin, Yale; Morse, Harvard; Carroll, Princeton and Baxter, Trinity, tied at 6 feet in the contests for the other points. Second and third points were therefore added together and divided up between the four colleges. In jumping off for the prizes Merwin was the first to clear 6 feet 1 inch, thus winning second prize, while Baxter succeeded in disposing of the other men in the contest for third medal.

WHITE negligé and tennis shirts are good things.

They not only look well; they look cool; hence are cool.

We have a nice stock of them in Madras and Cheviot.

In colored shirts you can have your choice from four hundred (400) patterns.

In ties the English "Rum-chunda" patterns seem to please, and "Bagdad" Ascots and Rugbys make the selection of your summer equipment easy and pleasant.

We can supply you at any distance from our store.

CHASE & CO.,  
New Haven House Block.

#### RUNNING BROAD JUMP.

Won by J. P. Remington, Jr., '97, Pennsylvania, with a jump of 22 feet, 4 3/8 inches; R. Garret, '97, Princeton, second; jump 21 feet, 8 1/2 inches; E. H. Clark, L. S., Harvard, third; jump, 21 feet, 7 3/8 inches. Intercollegiate record, 22 feet, 11 1/4 inches, made by V. Mapes, Columbia, in 1891.

#### PUTTING SIXTEEN POUND SHOT.

Won by R. Garrett, '97, Princeton, with a put of 41 feet, 10 3-4 inches; R. Sheldon, '98, S., Yale, second; put, 41 feet, 6 3-4 inches; J. C. McCracken, '99, Pennsylvania, third; put, 40 feet, 8 1-4 inches. Intercollegiate record, 42 feet, 11 1-2 inches, made by Hickok in 1895.

Following is the recapitulation of the points scored by the different colleges:

	1sts.	2ds.	3ds.	Totals.
Pennsylvania	5	2	5	34
Yale	3	3 3/4	2 1/2	24 1-12
Harvard	1	4 3/4	2 1-3	15 3/4
Princeton	2	2 3/4	1-3	15 1-12
Georgetown	1	1	0	7
Boston University	1	0	0	5
Cornell	0	0	1	1
Syracuse	0	0	1	1
Trinity	0	3/4	0	3/4

Thirteen events; 8 points in each. 104  
\*Tie for second high jump.

#### THE CUP.

The old intercollegiate cup was first competed for in 1876 and went into the possession of Harvard in 1889, she having won a majority of times during the period of 14 years for which it was offered. The new cup was first contested for in 1890. It is the gift of the college graduate members of the Berkeley Athletic Club and will be awarded to the college winning it the majority of times between the years 1890 and 1904. Harvard has won the cup three times, in 1890, 1891 and 1892; Yale four times, in 1893, 1894, 1895 and 1896, while Saturday's victory was the first that Pennsylvania won in the competition for the trophy.

A. B. K.

The members of the Sheffield Scientific School have decided to present Professor A. Guyot Cameron with a silver loving cup at the expiration of the present year, when his resignation will go into effect.

# Columbia 5% Nickel Steel Tubing

No bicycles are so strong as the Columbias, as they are made of 5% Nickel Steel Tubing, and we use all that can be made this year exclusively in Columbias. Unequaled, Unexcelled.

Columbias, \$100 to all alike.

HARTFORDS, Next Best, \$60, \$55, \$50, \$45.

WE MAKE IT EASY FOR YOU TO BUY THEM.
