

UNIVERSITY BASEBALL.

Seventy Candidates Report—Winter Work Begun.

The candidates for the University Baseball team were called together by Capt. G. C. Greenway, '98 S., on Monday evening, and the plan of Winter work was explained. The battery candidates began practice in the cage Tuesday, but the other men will not start active training until next Monday. The work is to consist of batting and fielding in the cage, followed by a short run. Practice at the field will commence as soon as the weather permits, which is generally not until after the middle of March.

As has been the custom in previous years the team will have no professional coach, but several graduates will assist Capt. Greenway. W. F. Carter, '95, will come on the eighteenth of this month and remain a week or two. Until that time Capt. Greenway will have entire charge of the coaching.

Of last year's team and substitutes there are in College, Capt. Greenway, pitcher and outfielder; S. B. Camp, 1900, shortstop; J. J. Hazen, '98, second base; H. B. Wallace, '99, right field; M. L. Fearey, '98, pitcher; F. C. Hecker, '99, pitcher; Hamlin, '98 M.S., pitcher; A. S. Goodwin, 1900, catcher; C. E. Sullivan, 1900, catcher, and C. G. Bartlett, '99, catcher; also C. A. H. deSaulles, '99 S., who played second base on the University nine two years ago. At the present outlook it is very doubtful if Goodwin will be able to catch this year on account of ill health. T. H. Clarkson, 1901, center-field of the Harvard team in '96, is in college, but will be ineligible on account of scholarship. Farnham of last year's team is also ineligible. Of the 1900 team, G. A. Lyon, E. S. Bronson, J. S. Ferguson, F. T. Crawford, T. B. Clark, Jr., A. C. Newcombe, R. Russell, R. L. Dunn, G. N. Whittlesey, are candidates for the University nine. What material there is in the Freshman class is as yet unknown.

The schedule of games for the season is now being arranged by Manager F. W. Simmons, and will be announced shortly before the Spring recess.

In order to better accommodate the crowds at the Harvard and Princeton games the large East stand of the football field will be turned around and used for a baseball stand, a great improvement over the low bleachers. The old Freshman diamond was partly covered up by the moving of the football field, so that a new one will be laid out to be located to the right of the outfield of the University diamond.

Law School Baseball Nine.

A second meeting of the students of the Yale Law School was held on Friday, February 3d, to definitely decide on the advisability of having a baseball nine during the coming season. Arguments for and against were advanced. The following motion was finally put and passed:

"Resolved, That it is the consensus of opinion of the Yale Law School to have a base-ball nine."

J. K. Blake, '98 L.S., was elected Manager and H. A. Segelbaum, '99 L. S., temporary Captain.

The outlook for a strong team is very promising. Thirty candidates, including many men who have played on University teams, have presented themselves and are practicing daily in the cage. The following men have handed in their names as candidates for positions:

W. J. Malone, N. T. Gorham, J. W. Edgerton, G. S. Hedges, D. V. McNamee, F. L. Vandever, G. J. Finnigan, P. B. MacLane, W. L. Lane, F. J. Kinney, T. F. Hickey, A. W. Haigh, H. S. DeNeefe, A. L. Corbin, R. J. Woodruff, E. J. Todd, T. J. Theall, C. P. Sherman, E. C. Simpson, G. V. Smith, C. W. Shattuck, H. A. Segelbaum, A. J. Raney, E. M. Lynch, C. S. Morris, C. C. Mix, W. J. McConnell, R. J. Goodman, M. J. Flannigan.

A Southern trip will probably be taken by the team during the Easter vacation provided that a strong nine is developed and sufficient financial backing is secured. The management has already arranged for games with Georgetown University, Elizabeth Athletic Club, and Wilmington Athletic Club.

Other games which have been arranged but for which no dates have been set are Harvard Law School, University of Pennsylvania Law School, Edgewood Athletic Club, and St. John's College, Fordham, N. Y.

Hockey News.

The University Hockey team defeated Columbia at the St. Nicholas Rink, New York City, on Saturday evening by the score of 4 goals to 0. Yale was the superior in team-work and kept Columbia constantly on the defensive. Barnett, Hall and Palmer played well for Yale. The teams lined up as follows:

Yale—Goal, Smith, '99; point, S. Stoddard, '99; cover-point, J. P. Brock, 1900; forwards, J. A. Hall, P. G.; W. L. Barnett, '98; A. C. Coxe, 1901, and C. K. Palmer, '99 S.

Columbia—Goal, Roberts; point, Williams; cover-point, Livingstone; forwards, Elliot, Van Voorhis, Pell, Henderson.

Goals—Palmer 2, Barnett, Hall. Time—Two 20 minute halves.

The following additional games have

been arranged: February 21st and 22d at Baltimore; March 5th, Columbia at the Clermont Avenue Rink, Brooklyn; March 12th, Columbia at Brooklyn. Arrangements are being made for a game with the University of Pennsylvania, which will be played in Philadelphia on February 19th. The next game will be on Saturday, February 12th, with Harvard at Cambridge.

Efforts are being made to organize an intercollegiate league consisting of Yale, Princeton, Columbia and Brown.

United States Tennis Ass'n.

Delegates from sixty Tennis clubs and associations were present at the meeting of the United States Tennis Association which was held at the Manhattan Hotel, New York, Wednesday evening, February 2.

Before electing officers the resignation of Joseph T. Whittlesey, Yale, '67 S., who has been Secretary of the Association for the last six years was accepted and a vote of thanks tendered him in return for his faithful services. The election of officers for the ensuing year resulted as follows: President, Dr. James Dwight; Vice-President, Joseph Clark; Secretary, P. E. Presberie; Treasurer, V. G. Hall. An Executive Committee composed of R. D. Wrenn, O. S. Campbell, Richard Stevens, W. A. Learned and L. E. Ware, was appointed, which will arrange a new system of drawing for the intercollegiate tournament.

The Relay Team Defeated.

At the Boston Athletic Association indoor games in Mechanics' Hall, Boston, last Saturday night, the Yale relay team was defeated by that of Harvard in the record-breaking time of 3:11½. F. H. Bigelow, Harvard, '98, led W. S. Johnson, Yale, '99, about a yard at the end of the first relay. Ira Richards, Jr., 1900 S., finished his relay about the same distance behind C. H. Williams, the second Harvard runner. W. G. Morse, Harvard, '99, gained a little more than a yard on C. E. Ordway, 1900, which H. H. Fish, '99, Harvard's last runner, lengthened to ten yards in the last relay, with A. H. Richardson, 1901. The time, 3:11½, broke the former record for the distance, 1560 yards, held by Harvard.

J. J. Peter, 1900 S., won second place from scratch in the 45 yards handicap hurdle race.

Crew Training.

The progress of the University crew candidates during the past week has been in general satisfactory, considering the short time that the men have been at work. The tank work has been largely confined to individual instruction and to the trial of the candidates at the various positions in the boat. Williams, who stroked the first boat last week, has been prevented from rowing for several days by illness, and Flint of last year's Freshman crew has taken his place.

A departure has been made this year from the usual plan of preliminary work, in starting the candidates in on fixed seats. Sliding seats will not be employed for some time, as it has been found that good form and style are better established on the fixed seats. Use has again been made of large mirrors, which are carefully located along the sides of the tank. These enable the candidates to watch their own form throughout the stroke, and have proven a very effective aid in the tank instruction.

The Yale Gymnastic Association team gave an exhibition at the Newark Y. M. C. A. gymnasium the evening of February 5th.

The souvenirs for the University Football Eleven this year are large oak frames about three feet by two, containing a group picture of the team, with the individual pictures of the twelve men who played in the Harvard and Princeton games, set about it. They will be given to the men shortly.
