[CORRESPONDENCE OF YALE ALUMNI WEEKLY.]

New York, March 16.—On Saturday night a dinner of the Ninety-Five alumni of New York was held in one of the upper rooms of the house, and brought together a large number of the Class for a pleasant evening. An informal reunion of Eighty-Five is to take place during the coming week, as announced in the last issue of the WEEKLY.

ALUMNI ASSOCIATION MEETING.

On Friday next the meeting of the Alumni Association to take action on the proposed dissolution of that body will be held at Sherry's. At the close of the business meeting supper will be served. The following circular in regard to the question to be voted on has been sent out:

A meeting of the Association will be held at Sherry's, Fifth avenue and Thirty-seventh street, Friday evening, March 18, 1898, at nine o'clock.

The Executive Committee will then present and will recommend for adoption the following resolution:

Resolved, That this Association be dissolved at the close of the meeting.

They will also recommend, if this resolution be adopted, that directions be then given as to the disposition to be made of the funds and property of the Association.

The undersigned have handed to the Secretary their resignations as officers and members of the Executive Committee, to be presented in case their recommendations as aforesaid shall not be substantially approved, being that, because of their opinion, as shown by said recommendations, other managers should be chosen if the Association is to continue. In such case it will be necessary at said meeting to elect new officers and members of the Executive Committee: Geo. A. Adee, President; Geo. C. Holt, Vice-President; W. W. Skiddy, Vice-President; Julian W. Curtiss, Secretary; Alex. Lambert; Henry W. Calhoun; John H. Hammond; Herbert Parsons; Edmund Coffin; Henry W. Taft.

CLASS NOTICES.

Ninety-Two Sexennial.

The Sexennial reunion of our class will be held in New Haven on June 28. It will be the only Sexennial meeting we will ever have.

There is not a member of the class whose presence is not needed to make the meeting what it should be—an old-fashioned Ninety-Two game. We used to know how to do it. Let's do it again.

The Committee have decided to assess ten dollars for sexennial expenses. This will include the cost of a sexennial record. Ninety-Two is the only class which has been out of College six years without publishing a class book.

Harmonie Hall has been engaged, Colt's band of Hartford will be ours for the day and night and a tender-hearted caterer has consented to feed us. We will occupy a prominent section of the bleachers at the ball game, and trolley cars have been secured to carry us to and from the Field.

You can greatly increase the chances of a success and lessen the labors of the Committee by replying as early as possible. Please make checks payable to the order of A. H. Swayne.

Members of the class can secure rooms in East Divinity by writing to E. F. Hill, East Divinity, New Haven, Conn. The charge will be one dollar a day.

Remember this—you'll be sorry if you don't come.

W. B. WRIGHT,
A. H. SWAYNE,
EDW. BOLTWOOD,
Committee.
