Colors for the Yale.

New York alumni have offered to Secretary Long a full set of colors for the cruiser Yale and the offer has been accepted. According to the latest advices from Washington it will probably be unadvisable to make any further gift in this line and the money originally appropriated for a banner will probably be returned into the fund for the permanent memorial.

Yale, 12—Williams, 3.

The game against Williams at the Field, on Wednesday, April 20, resulted in an easy victory for Yale. The play was rather slow, Yale's sharp batting being the only interesting feature. Fearey pitched the first three innings, and while effective at times, did not have the control he has shown in previous games this season. Williams gave up the bat in the fifth inning in order to catch their train. The Yale batters hit Plunkett freely throughout the game. His support was ragged at times. Camp of Yale was suffering from a bruised finger, and Bronson filled his place at short-stop.

Score by innings:

	1	2	3	4	5
Yale	1	2	5	2	2—12
Williams	0	1	2	0	*—3

Summary: Two base hits—Wallace, Greenway, Russel. Three base hit—Hazen. Stolen bases—Yale 4. Bases on balls—Off Fearey 4, off Hall 1, off Plunkett 7. Struck out—By Fearey 3, by Plunkett 7. Passed balls—Ross (2). Wild pitch—Fearey 1. Time of game—One hour 30 minutes. Umpire—Gruber.

Yale, 6—Amherst, 3.

Yale easily defeated Amherst on Saturday afternoon at Amherst, in an uninteresting game, by the score of 6 to 3. Hecker and Davis were the opposing pitchers and both did fairly effective work. Yale did her first scoring in the second inning, when two costly errors, followed by Greenway's single, netted two runs. Four more runs were made in the fourth inning, on an error, and hits by Wear, Wallace and deSaulles. In the first inning Amherst bunched three hits and two men crossed the plate. The game was called after seven innings had been played, in order to allow the Yale Nine to catch their train.

Score by innings:

	1	2	3	4	5	6	7
Yale	0	2	0	0	4	0	0—6
Amherst	2	1	0	0	0	0	0—3

Summary: Two base hits—Whitney, Thompson. Three base hit—Wallace. Stolen bases—Yale 3, Amherst 2. Double plays—Righter, Watson and Foster. Bases on balls—Off Davis 4. Struck out—By Hecker 5, by Davis 3. Passed ball—Whitney 1. Wild pitches—Davis 1, Hecker 1. Time of game—One hour 40 minutes. Umpire—Davis.

Yale 1901, 10—St. Paul's, 1.

The Freshman Nine defeated St. Paul's School, at Garden City on Saturday, by a score of 10 to 1. Stickney pitched well for the Freshmen, allowing but four hits, and received excellent support from the entire nine.

Score by innings:

	1	2	3	4	5	6	7	8	9
Freshmen ..	6	1	1	0	0	0	0	2	*—10
St. Paul's ..	0	0	0	0	1	0	0	0	—1

GRADUATES MAY ENLIST.

An Invitation to Join the Yale Light Battery.

The organizers of the Yale Battery of Horse Artillery have requested the ALUMNI WEEKLY to announce that recent graduates will be welcomed in this Battery. It is hoped that by joining graduate and undergraduate forces the full complement may be made up from Yale men. Those who have any idea of accepting this invitation are urged to communicate at once with Harley Parkhurst or T. V. Chappell, 88 Wall Street, or David C. Twitchell, 79 South Middle, New Haven.

Crew Changes.

On Monday a number of changes were made in the order of the University Crew made necessary by the absence of Greenleaf, 99 S. at No. 7, who is suffering from water on the knee. His place has been taken by Niedecken at No. 4, and Flint, who has been stroking the boat for some weeks, was moved back to the vacant seat. Williams has come into his old place at stroke from the second boat.

It is not thought Greenleaf's trouble will be a permanent one and when he is able to return he will probably have his old place at No. 7.

Freshman Crew Captain.

At a meeting of the members of the Freshman Crew and the substitutes held Tuesday night, Francis Gordon Brown, Jr. of Quogue, L. I. was elected Captain. A. Cameron of Brooklyn has been elected Captain of the second crew.

If you haven't already done so through your Alumni Association, will you not kindly do your part towards making the Fund for the Cruiser "Yale" what it should be, and send your subscription of a dollar or more to the Cruiser Fund, YALE ALUMNI WEEKLY. Checks should be made payable to YALE ALUMNI WEEKLY, Agent, or Edward Sawyer, Treasurer.

INVITATION TRACK GAMES.

Few Outside Entries and a Heavy Track Make Events Uninteresting.

A very small field of outside competitors and a threatening condition of weather kept the attendance down to a small number at the annual Invitation Track Games at Yale Field on Saturday. The track was heavy from the frequent rains of the last two weeks, and the times unusually slow, which may account for the lack of enthusiasm among the spectators.

In the mile there were fully twenty men with 100 yards handicap. This race furnished the surprise of the afternoon. H. P. Smith, 1900, who has run before this year, won second place, Marvin Scudder, '99, beating him out by a small margin. If Smith, who sprinted for the first quarter, had attended to business instead of continually looking round he would have finished first. Mr. Fitzpatrick intends to train Smith in the future for the half-mile and expects him to prove a valuable man.

The best performance of the afternoon was that of R. G. Clapp, '99 S.,

The American Hat

Our point is that the Knox is the best hat that American manufacture can produce—that is, it is perfect. American goods, American labor, American thoroughness, and a taste that ever studies the possibilities of graceful head-gear, combine to sustain and develop a national reputation of the highest order.

who cleared 11 feet 2 inches in the pole vault. This was two inches better than B. Johnson, 1900, the intercollegiate champion, could go, but it is only fair to state that Johnson has trained but three weeks and his vault of 11 feet was 6 inches higher than he has gone before this season.

The most sensational event of the games was the dead heat between H. M. Poynter, 1900, and Richard Van Vrendenburg, 1900 S., on the 880 yard run.

The weight contests were rather disappointing, as it was hoped some of the new men would do more creditable work.
