#### Freshman Crew News.

The expected changes in the Freshman Crew were made on Friday, when a number of men from the Second Crew were tried in the first boat. It will be remembered that the Second Crew defeated the First in the Spring Regatta, and a number of races were rowed during the few days following, with the same result.

Since Friday no definite order has been followed, but different men have been tried in the various positions, so as to determine the most effective combination. The final make-up of the Crew will probably not be settled until the latter part of next week. The general order during the week has been: Stroke, Cameron, 1901; 7, Mitchell, 1901; 6, Brown, 1901, captain; 5, Gillette, 1900 S.; 4, Keppelman, 1901; 3, Auchincloss, 1901 and Atkinson, 1901; 2, Ireland, 1900 S., Olcott, 1900 S., and Wheeler, 1901; bow, Waterman, 1901. Mitchell, Cameron and Waterman have been taken to the training table.

The numerous changes have allowed little opportunity for improvement, but it is expected that the crew will round rapidly into form after the final selection is made. The men will start for Gale's Ferry on June 8th, but, in accordance with a new Faculty ruling, will have to return to New Haven for their examinations.
