Gift to the Law School Library.

The Law School Library has recently received from the estate of the late Leonard A. Bradley, Esq. of New York, a graduate of the Class of Fifty-Five, about two hundred volumes and pamphlets, being a part of his professional library. For many years Mr. Bradley had offices in New Haven as well as New York, and his books consisted largely of statutes, digests and reports of Connecticut and New York, and treatises, chiefly upon matters relating to real estate and probate law, which will be valuable additions to the collections of the Law School. The gift comes through Dr. William L. Bradley, '60, of New Haven.

Ninety-Eight Class Fund.

At a meeting of the Senior Class of the Academic Department last week it was decided to establish a Class Fund to meet the expenses of publishing the Class records. A subscription of \$5 from each man is expected, the whole to be invested by the Treasurer of the University, and to be subject to demand of the Class Secretary. At the end of eighty years from graduation the principal will become a part of the general fund of the University.

The following committee was appointed to take charge of the work: H. Bingham, H. W. Fisher, J. R. Smith, F. E. Williamson and H. B. Wright.

It is hoped that future classes may take the same step.
