

has been characterized by increased life and vigor and the tendency toward fumbling has been overcome in some measure. Rumsey and Burdick of the Freshman squad have been added to the list of candidates for positions behind the line.

The preliminary drill in tackling, starting, catching and punting has been almost entirely dispensed with and the day's work now consists of two sharp halves between the University and College teams. On Monday and Tuesday, several of the regular men were laid off, in order to allow them a much-needed rest and to give the substitutes better opportunity for development.

A number of new men have joined the squad at the training table during the past week, which as now constituted includes,—Captain Chamberlin, Brown, Marshall, deSaulles, Dudley, Benjamin, Corwin, McBride, Sullivan, Marvin, Townsend, Dupee, McGee, Hubbell, Stillman, Coy, Richards, Richardson, Andrews, and Durston.

W. C. Wurtenberg, '89 S. and W. T. Bull, '88 S., have assisted Captain Chamberlin in directing the practice.

Yale, 34—Amherst, 0.

After a decidedly weak showing in the game and practice of the preceding week, the Yale Eleven played well together in the game against Amherst at the Yale Field last Wednesday, defeating the visiting Eleven by a score of 34 to 0. Amherst was completely outclassed in every respect, the superior weight and skill of the Yale Eleven making her efforts to gain ground and stop Yale's line plunges and end runs, equally ineffective. Yale's work behind the line showed considerable improvement, the plays starting sharply with well-formed interference. There was also an apparent advance in the play, both offensive and defensive, of the line, but this was doubtless due in large measure to the inferior weight of the opposing men. Amherst tried the close defense and guards back formation of Pennsylvania with no success. The long runs of Marvin, Townsend, deSaulles, Benjamin, Corwin, and Coy of Yale were features of the game.

The line-up:

YALE.	POSITION.	AMHERST.
Sharpe	left-end-right	Watson
Hubbell		
McGee	left-tackle-right	Valentine
Cook		
Marshall	left-guard-right	Holton
Brown		
Walton	center	Butler
Brown	right-guard-left	King
Andrews		
Chamberlin	right-tackle-left	Winslow
Richards		
Coy	right-end-left	Cook
Eddy		
deSaulles	quarter-back	Anderson
Winter		
Marvin	left-half-right	Whitney
Townsend		
Corwin	right-half-left	Kendall
Benjamin		
McBride	full-back	Burdon
Dupee		

Score—Yale, 34; Amherst, 0. Referees—W. T. Bull, '88 S.; M. U. Ely, '98. Umpire—E. J. Lake. Linesmen—Blanchard, Amherst, and T. B. Hull. Time of halves—Fifteen and twelve minutes.

Yale, 23—Williams, 0.

Yale defeated Williams on Saturday at the Field by a score of 23 to 0. The game was an interesting and unusual one, three of Yale's touchdowns resulting from sensational runs. Departing from his custom in previous games, Captain Chamberlin retained the line without change throughout the game. The personnel was the same as in the first half of the Amherst game with the exception of center, where Andrews was substituted for Walton. Yale's superior weight in the line gave her a material advantage over the visiting team, and the backs played with encouraging snap and vigour. There was some decrease in the fumbling and off-side play which characterized the last game and the interference on the broken field, following the opponent's punts and kick-offs, showed considerable improvement.

The touchdowns were made in the first half by Benjamin and Brown; in the second half by Townsend and Dupee. Brown kicked three goals, but Marshall's one attempt was unsuccessful. Benjamin, Brown, Dupee and Townsend made brilliant runs.

The line up and summary:

YALE.	POSITION.	WILLIAMS.
Sharpe	left-end-right	Chadwell
McGee	left-tackle-right	Simmons
Brown	left-guard-right	Eaton
Andrews	center	Black
Marshall	right-guard-left	Seeley
Chamberlin	right-tackle-left	DeCamp
Coy	right-end-left	O'Neil
deSaulles	quarter-back	Cotrell Jay
Townsend	left-half-right	Branch
Marvin		
Benjamin	right-half-left	Draper
Townsend		
McBride	full-back	Williams
Dupee		

Score—Yale, 23; Williams, 0. Touchdowns—Benjamin, Brown, Townsend, Dupee. Goals—From touchdowns, Brown, 3. Referee—M. U. Ely, Yale. Umpire—A. H. Hine, Williams. Linesmen—T. B. Hull, Yale; N. D. Risley, Williams. Time of halves—Fifteen minutes each.

Yale 1902, 11—Williston, 6.

The Freshman Eleven played their first game on Saturday against the Williston Academy team at Easthampton, Mass., winning by a score of 11 to 6. The work of the Freshman during the first half of the game was extremely ragged, but improved as the game progressed. The backs, especially Burdick and Fincke, played well, while Hooker and Ferguson did the best work in the line.

The line-up of the Freshman Eleven was as follows: Ends, Abbott and Lewis; tackles, Ferguson and Murphy; guards, Hooker and Blagdon; center, Sherman; quarterback, Fincke; half-backs, Burdick and Adams; fullback, Rumsey.

THEODORE S. WOOLSEY.

SOME EXPLANATIONS.

"General Expense," includes cost of new lawn mower, new heavy roller, seed, fertilizer, and repairs to the tools occasioned by the destruction by fire of the Baseball stand.

"Interest Account" is slightly higher on account of an item which might be called "rent," occasioned by early occupancy and delayed payment of the new real estate purchased.

"New Real Estate," at the west boundary, was purchased to meet the new demands for an exhibition Football Field, the initial payment of which appears in the accounts of the preceding year.

"Football Construction Expense," includes moving easterly Football Stand to a location on either side of the diamond and return, together with extra blocks and braces; painting grand stand before its destruction by fire; new portable guard fence in front of bleachers; after the fire, the expense of moving north Football Stand to and

from old grand stand location, and construction of new back stop, front fence and ticket booths.

"Track Repairs," includes toilet house repairs (plumbing and new floor to porch) and carting new cinders for track.

The contract has been placed for grading, on the level of the present field, all of the ungraded part of the field, or such portion of it as the Fall income from attendance will warrant. For its completion it is hoped not only that the receipts will be large, but also that the several associations composing the Financial Union can be successful in their efforts to effect material economies. This portion of the Field when graded can, without crowding the old playing field, accommodate three new football fields or two baseball fields for class contests.

If considered advisable, the University Baseball diamond will, after the next season's play, be moved to the east by something less than its own diameter, to avoid the encroachments of the stands in right field. If the new Baseball Stand, to replace the one destroyed by fire, is not built before the suggested relocation of the diamond, then seating accommodation will be afforded by the northerly Football stand as was done in the season just past.

HENRY B. SARGENT, Treasurer.

No Indoor Meeting.

It has been announced by the management of the University Athletic Association that there will be no Winter indoor meet this year. Several reasons have caused the management to make this decision. One reason was that there has not been much interest in the meet manifested by the students, for the past few years, so that it has not proved a paying venture. Then too, it was not deemed advisable to make the men run on a hardwood track, the effect of which has generally been more harmful than good. Much of the straining of the muscles and tendons from which the track candidates have suffered for the last few years was considered to have been due to the hardwood track, and it is hoped that this trouble will now be done away with. A final reason was that the indoor tournament made the training season too long.

A Strong Yale Golfer.

In the annual tournament of the St. Andrews Golf Club, held Oct. 5-8, John Reid, Jr., '99, won first place and the St. Andrews cup. On the first day with seventy-six starters, Mr. Reid made the lowest score for thirty-six holes, making the two eighteen hole rounds in 99 and 82, thereby winning the President's Cup for thirty-six holes at medal play. On the first day at match play, Mr. Reid defeated J. B. Upham 5 up and 3 to play, and A. DeWitt Cochrane 7 up and 6 to play. On the second day he beat W. L. Thompson 3 up and 1 to play. In the finals on the third day of match play, Mr. Reid defeated A. L. Norris, of the Dyker Meadow Club one up in a thirty-six hole match by a single put on the home green.

Football Officials.

Mr. Paul Dashiell, formerly of Lehigh, will umpire the Yale-Princeton and Yale-Harvard football games this Fall, and Ex-Captain McClung of Lehigh will referee the Yale-Harvard game. The referee for the Yale-Princeton game has not yet been definitely decided upon.

WHAT IS
YOUR GAME

THIS FALL?

Probably **GOLF**. We can, in that case, do a good deal for you. Our Golf Waist-coats are rich things, and of the very best of English manufacture. And there are Golf Jackets of which as much can be said; and Golf Gloves and Golf Caps. Have you tried the CHASE HAT? Why not? Want something English? There's nothing better than the HENRY HEATH.

Full-grown Men

— LIKE —

THE SUN.

Joseph Jefferson presented "The Rivals" at the Hyperion Theatre on Thursday evening, and was greeted by an enthusiastic Yale audience. In response to repeated calls, Mr. Jefferson came before the curtain at the close of the performance and made a characteristic speech, expressing his pleasure at being among friends, students in the same University which had honored him with a degree, and thanking them for their hearty reception.
