Fall Games.

The annual Fall handicap games of the Track Athletic Association were held at Yale Field on Saturday afternoon, October 29. There was evidence of some very good new material in the sprints and high jump. The time made in the half mile run was exceedingly good in consideration of the cold weather. By far the most interesting event contested was the inter-class relay race, which was won by the Freshman team in a very exciting finish. It seemed as though the race would be easily won by the 1900 team until the last relay started, but Boardman, the last relay for the Freshman team, starting out at a splendid pace, gradually closed up the gap, and just succeeded in passing the 1900 man at the tape. Several of the officials who were appointed failed to put in an appearance, which necessitated a partial revision of the original list. The following men acted as officials:

Referee—T. R. Fisher, Jr., '99 S.
Judges of Field Events—G. S. Oliver, '99, J. C. Greenway, 1900, A. H. Richardson, 1901.
