ACADEMIC TASTES

Make New Haven's standard in materials and styles of personal attire at least as high as that of any city in the country. We realized that when we came here. We have worked to meet and to anticipate the exacting demands. Yale men have generously responded to these efforts on our part. We reciprocate with still more zealous endeavor.

of securing the right sculptor, the right design and the means of raising money. The outlook was considered favorable for securing sufficient funds to erect a memorial that shall be thoroughly worthy of the University.

Cruiser Fund Committee Meet.

The sub-committee of the Cruiser Fund Committee met in one of the rooms in Osborn Hall at noon on Saturday, April 15. All the members of the sub-committee were present as follows: Ernest Carter, '79; Lewis S. Welch, '80; Edward Sawyer, '98; Henry B. Wright, '98; Dwight H. Day, '99.

To this Committee had been referred, by the general Committee, all further disposition of the Fund, and they have been authorized to spend as much money as necessary to properly locate and care for the guns and flags of the cruiser. It was reported to the Committee that the Navy Department had sent word that both the guns and the flags had been ordered shipped to New Haven. The former had arrived and had been set up, by order of the University authorities, at the foot of the stairs in the Gymnasium. The colors that were ordered to be sent from Annapolis on March 16, had not been heard from by any member of the Committee. It was decided to request Mr. Ernest Carter and Mr. Yandell Henderson to confer with the authorities in regard to the location and proper care of the guns and colors.

A report on the finances showed that after drafts had been made to cover the expenses incurred in connection with the Yale Battery, which had been authorized by the general Committee and which amounted to between \$300 and \$400, there would be a surplus of about \$2,000. There was considerable discussion as to the proper disposition of this Fund, but the Committee adjourned without taking action.

The Apollo and Freshman Glee Clubs have recently elected their officers. Herbert R. Smith, 1900, will be the leader of the former, and of the latter George A. Dewey, 1902, has been elected President and W. W. Herrick, 1902, Manager.

A KNOX AD.

You notice it generally doesn't say much about the Knox Hat. Why? Simply because we don't like to ring the changes on the assertion that the Knox Hat is the best that can be made. It might look as though a claim were being made, when as a matter of fact we were only repeating a commonplace. Why repeat it?

Nathan Hale Statue Committee.

The Committee appointed by the Corporation of Yale to take steps for the erection of a statue to Nathan Hale, of the Class of 1773, held its first meeting at the Graduates Club on Saturday evening, April 15. All the members of the Committee were present except Mr. Jonathan Trumbull of Norwich and Mr. Howard Mansfield, Yale '71, of New York, who were both unavoidably detained. The members present were Senator Joseph R. Hawley; Rev. Dr. T. T. Munger, '51, of New Haven; Prof. John F. Weir, Director of the Yale School of Fine Arts; the Hon. S. E. Merwin of New Haven; Mr. Morris W. Seymour, '66, of Bridgeport; Mr. George D. Seymour of New Haven, and Mr. Lewis S. Welch, '89. The Committee organized by electing the Hon. Joseph R. Hawley Chairman, and Mr. Lewis S. Welch Secretary.

The following sub-committees were also appointed:

Committee on Art—Prof. John F. Weir, Chairman; Mr. Howard Mansfield; Mr. George D. Seymour.

Committee on Finance—Hon. S. E. Merwin, Chairman; Mr. Morris W. Seymour; Mr. Jonathan Trumbull.

Committee on Appeal for Funds—Dr. T. T. Munger, Chairman; Mr. George D. Seymour; Mr. Lewis S. Welch.

There was a general discussion of the problems of the Committee in the way
