

DIVINITY COMMENCEMENT.

Prize Awards—Names of the Graduating Class.

The graduation exercises of the Yale Divinity School were held at 10.30 A. M. on Wednesday, May 17, in College Street Hall. President Dwight presided, and seated on the platform with him were the members of the Divinity School Faculty and two members of the University Corporation, Rev. Dr. Charles Ray Palmer, '55, of New Haven, and Rev. Dr. Joseph Anderson, '78 Hon., of Waterbury.

The exercises consisted of the annual address, which was delivered by Rev. Dr. Albert J. Lyman of Brooklyn, and five addresses delivered by members of the graduating class. The speakers and their subjects were as follows: Ernest Ellsworth Day, "The Preacher's Attitude Towards Miracles"; Edward Russell Evans, "The Problem of Human Suffering"; Herbert Atkinson Jump, "Nature's Ministry to the Preacher"; Eugene William Lyman, "The Soul's Experience an Epitome of Revelation"; Lewis Thurston Reed, "The Share of the United States in the Eastern Question."

The announcement of the awards of scholarships and prizes followed. The Hooker Fellowship was awarded to Eugene William Lyman of Cummington, Mass. The Fogg Scholarships for members of the Junior class were awarded to the following men: W. C. Blakeslee; F. O. Blanchard; C. G. Clarke, '95; W. E. Davies; A. E. Holt; D. B. Lathrop, '95; G. L. Omwake; J. T. Stocking; W. M. Swann; C. M. Warren, '98. The Sanders Prize for the Senior class was awarded to Herbert Atkinson Jump of Albany, N. Y. The Mission Essay prize has also been recently awarded to Jay Thomas Stocking of Lisbon Center, N. Y., a member of the Junior class of the Divinity School. This prize was offered this year for the first time by a friend of missions to non-Christian lands for the best essay submitted by any member of the University on a prescribed missionary subject.

Mott Haven Games.

The annual track games for the Intercollegiate Championship of the United States will be held at Mott Haven, Friday and Saturday, May 26 and 27.

Judged from the recent performances of the athletes representing the various colleges, Pennsylvania should win the meet, with Yale a probable second and Harvard third. Kraenzlein and McCracken of Pennsylvania, the former a hurdler and broad jumper and the latter a weight man, are alone counted on to win five first places. Yale should score heavily in the flat races, while Harvard will probably have to depend on second, third and fourth places in the various events for her points, with the probable exception of the quarter-mile run.

The following men will represent Yale in the various events:
 100 Yards Dash—F. A. Blount, 1900; F. H. Warren, '99 S.; C. Dupee, 1901; T. R. Fisher, '99 S.; C. J. Gleason, 1900.
 220 Yards Dash—D. Boardman, 1902; T. R. Fisher, '99 S.; F. H. Warren, '99 S.; C. J. Gleason, 1900; C. F. Luce, 1900.
 440 Yards Run—D. Boardman, 1902; T. R. Fisher, '99 S.; C. F. Luce, 1900; C. Dupee, 1901; C. J. Gleason, 1900.
 880 Yards Run—J. P. Adams, 1900; W. D. Brennan, 1900 S.; H. M. Poynter, 1900; C. E. Ordway, 1900.

THE FRIENDLY BEACON.

The sputtering taper served its purpose in helping to keep back the crowding dark. Then Candles, Lamps, Gas and Incandescent Lights all took turns, but the **Electric Candle**, in Antique Brass finish, is now presented.

Its simplicity and convenience make it almost indispensable. Just turn the little knob at the top and "It Works." No dirt, odor, heat, wires, or machinery. Hang it up by your bed, put it on the floor, chair or table at night, and a good light is ready to be turned on any minute.

A RECORD

which has no equal. Col. Thos. Martin, of Bluffton, S. C., shooting a Parker Gun at Elkwood Park, in eight days' shooting from April 8th (including the Grand American Handicap), killed 501 live birds out of 567 shot at, and also made a run of 141 straight.

On April 28th he won the Maryland Handicap, killing 25 straight.

That the "Old Reliable" is extremely popular is strongly attested by the fact that of the 263 contestants in the Grand American Handicap of 1899, 77 were using "Parker's."

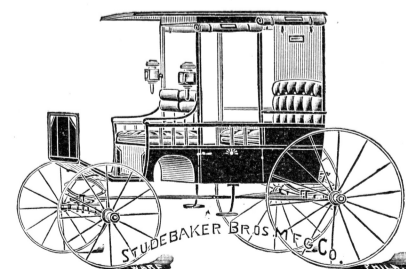

Facts such as these prove the "Parker" to be the most popular shotgun in America.

There are more Parker Guns in the hands of Amateurs than any other make of gun in the world.
