Will be closed by the Commencement of 1899. The ALUMNI WEEKLY will wind up this record with much completeness. The Class meetings will be recorded, the honors chronicled, the addresses on the presentation of the honorary degrees will be reproduced, the boat race described, the ball game covered. The year and the closing epoch will be reviewed in retrospect and the story of the Commencement will mean a look at the future.

The Commencement WEEKLY can be ordered in advance, price 10 cts., by sending to this office.
