

THE PRUDENTIAL...

JOHN F. DRYDEN, *Prest.*

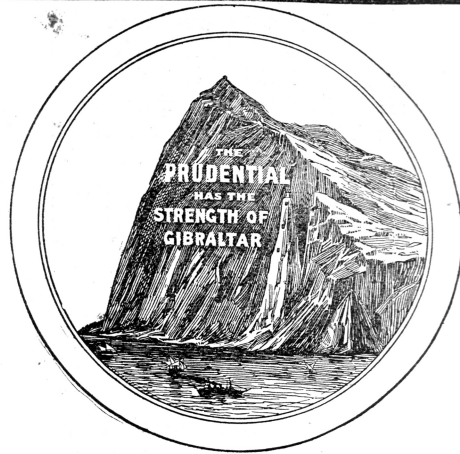

A YOUNG MAN'S CHANCES

of success in life depend largely upon whether or not he has formed the habit of saving.

An Endowment Policy in the Prudential encourages saving and often lays the foundation for future competence.

Assets, over \$33,900,000.

Income in 1899, over \$20,500,000.

Home Office: NEWARK, N. J.

The Prudential Insurance Company of America

[Continued from page 269.]

Scientific—George W. Carpenter, Ralph Carroll, Edward A. Downey, Chas. M. F. Fleishmann, William H. Gelschen, Jr., Ridgley Nicholas, Albert H. F. Stursberg, all of New York; Lewis M. Richmond, Flushing, L. I.

GUNNERY AND RIDGE.

The following intend to come to Yale next year from the Gunnery and Ridge Schools:

William E. Whiting, New Haven; Earl Seely, Washington, Conn.; Leon B. Alling, Derby, Conn.; Ralph Avery, Washington, Conn.; Timothy Merwin, Wilton, Conn.

MILWAUKEE.

The following men are expected to enter Yale next Fall from the Milwaukee Military Academy: William E. Merrill, Milwaukee, Wis.; Sydney H. Benjamin, Milwaukee, Wis.; Roger Y. Flanders, Milwaukee, Wis.

Harry N. Glicksman is expected to enter from the East Division High School, Milwaukee, Wis., and Charles H. Lovejoy from the Janesville High School, Janesville, Wis.

ANDOVER.

From present indications Andover will send seventy-six men to Yale next Fall. Of these forty-nine will go to the Academic Department and twenty-seven to the Scientific.

EXETER.

Exeter won only two and one-half points at the Interscholastic Indoor Meet at Boston on March 17. The total number of points won was two and one-half. Pratt tied for second place in the pole-vault, with two other contestants, by a vault of 10 feet 1½ inches, breaking the indoor record at Exeter.

The principal event in the handicap meet held at Exeter on March 21, was the breaking of the indoor record for the shot-put by Moore. The record now stands 37 feet 8 inches.

The interclass bowling tournament was won by 1901 on March 28.

The Academy Athletic Association is seriously considering the question of establishing rowing as a branch of Exeter athletics. The expense of such an undertaking is the only obstacle, for there is a fair water course on the Squamscott river. Considering the number of men Exeter sends to Harvard, the Academy would undoubtedly receive aid from that quarter.

The New York Exeter Alumni Association have definitely decided to hold their annual dinner on April 10. The P. E. A. Glee Club will be present on this occasion.

The following men will enter Yale from Exeter next Fall, going to the Academic Department, unless otherwise stated: Alger S. Bourn, Yonkers, N. Y., S. S. S.; James T. Craffey, Westboro, Mass.; Louis H. Egan, Savannah, Ga., S. S. S.; Edward L. McDonnell, Watts-

burg, Pa.; Paul Shaffrath, Waterbury, Conn.

A greater proportion of members of the Class of Nineteen Hundred and One will enter Yale a year from next Fall.

Exeter closed for the Spring vacation April 3, and will reopen on the 11th.

The annual athletic exhibition held in the Academy Gymnasium, Friday evening, March 30, proved the most successful of its kind ever held at Exeter. The class competitive drill for the Stevenson cup resulted in a victory for 1901. (The broad sword contest, sabre drill, and pyramid building were exceptionally good.) The order of events was as follows: Junior class drill, Donald West, *Leader*; parallel bars, Shaffrath, 1900, *Leader*; lower middle class drill, W. H. Brown, *Leader*; special club swinging, Hinds, 1901; upper middle class drill, F. H. Rockwell, *Leader*; broad sword contest, Fry, 1900, and A. T. Brill, 1902; Senior class drill, H. Bartlett, *Leader*; tumbling, Otis, 1900, and B. F. Sherman, 1901; club swinging, Brown, 1900, *Leader*; horizontal bar, Shaffrath, 1900, *Leader*; marching, Putnam, 1901, *Leader*; German horse, Shaffrath, 1900, *Leader*; Sabre drill, Hinds, 1901, *Leader*; boxing, pyramid building.

ST. MARK'S.

St. Mark's will send no boys to Yale this year.

The annual Winter meeting of the St. Mark's Athletic Association was held March 13 and 15. The entries were large, and the exhibitions good. Three school records were broken: the standing high jump, by F. F. Dekham, 1901, 4 feet 7½ inches; the high kick, 9 feet, and fence vault, 6 feet 10¾ inches, by C. Barnes, 1900.

The subject for the fourth town public debate this year is: "Resolved, That England is justified in the course she has pursued in the Transvaal." The speakers selected are Arr and McVickar for the affirmative, Brooks and Dodge for the negative.

The outlook for a successful baseball season is very bright. Six of last year's team are still in school, Carpenter (Captain), R. F. M. Flichtner, s.s., Hutchinson, p., Mackay, 3b., White, 1.f., Dodge, 1b. In addition to these players there is a large amount of good material so that the competitor for every position will be close. Manager Barnes has arranged for the following games: April 14 Boston Latin; April 18, M. I. T., 1903; April 21, Hopkinson School; April 25, Brookline High; April 28, Cushing Academy; May 2, Dean Academy; May 5, Thayer Academy; May 9, English High; May 19, Harvard College; May 26, Groton; June 5, Hotchkiss. All games will be played at Southborough except that with Groton, which will be played at Groton. Harvard Freshmen have been challenged for May 12, but the game has not been definitely arranged for. May 16 is open.

On the evening of March 14, the St. Mark's Dramatic Club gave a vaudeville entertainment, which was unquestionably the best ever presented at the School.

Professional Schools.

YALE MEDICAL SCHOOL.

88th Annual Session, Oct. 4, 1900.

The course leading to the degree of Doctor of Medicine in Yale University is graded, covers four years, and consists of systematic, personal instruction in laboratory, class-room and clinic.

For announcements, send to the Dean.

HERBERT E. SMITH, New Haven, Conn.

NEW YORK LAW SCHOOL

NEW YORK CITY.

"Dwight Method" of Instruction.

Day School, 35 Nassau Street.

Evening School, 9 West 18th Street.

Summer School (Eight weeks, June-August), 35 Nassau Street.

Degree of LL.B. after two years' course; of LL.M. after three years' course. Prepares for bar of all States. Number of students for the past year (1898-99), 781, of whom 294 were college graduates. The method of study pursued aims to give the student a thorough knowledge of legal principles and of the reasons upon which they rest, and to render him well equipped for the practice of his profession. The location of the School in the midst of the courts and lawyers' offices affords also an invaluable opportunity to gain a knowledge of court procedure and the practical conduct of affairs.

Send for catalogue explaining Dwight Method, courses of study, etc., to

GEORGE CHASE, DEAN, 35 Nassau Street.

SCHOOLS.
