

**Intercollegiate Shoot Goes to Yale.**

Yale won the annual Intercollegiate Gun Club shoot at Scheutzen Park, New Haven, Saturday, May 5, with a total of 202, taking the first place rather easily. Harvard was the nearest competitor, with a score of 179; Princeton was third with 172 points and the University of Pennsylvania last with 149. B. Wilson, Jr., 1901, and A. L. Ferguson, 1902, tied for the best individual score at 44 birds. The cup offered for the annual intercollegiate shoot is a handsome silver one, and becomes the property of the club winning it three years. Yale and Harvard have each scored two victories.

**ABOUT....**

**Vardon Clubs.**

The "Vardon" clubs are the exact duplicates of the set of clubs with which Mr. Vardon has three times won the open championship of the world, and consist of the following clubs: Driver, Cleek, Light-iron, Mashie-iron, Mashie, Driving Mashie, Brassie, Mid-iron, Putting Cleek, Driving-iron, Twisted-neck Putter.

Of these clubs the probabilities are that he will use only the Driver, Brassie, Cleek, Mid-iron, Light-iron and Putting Cleek, although he may require every club in his bag under various conditions which may arise during the course of the match. We do, however, make a Driver and Brassie with a little larger head. Mr. Vardon himself uses a very small head in both Driver and Brassie, but the ordinary player may prefer a little larger head, so we have made the same style exactly, increasing the size of it slightly, a thing which Mr. Vardon most cordially approves of.

Princeton won the two-mile relay race in 8 minutes and 5 seconds, which reduced the record Yale made at this meet last year by 5 seconds. Chicago won the one-mile relay in 3 minutes. Yale won the one, two, and four-mile relay races last year.
