NEWS OF THE SCHOOLS.

Andover.

THE BASEBALL RECORD.

April 28, the Andover Baseball Team defeated Colby College 8 to 5. Andover won by heavy batting, aided by the loose fielding of the visitors. Saunders, Captain of last year's Andover Team, pitched for Colby, and his former schoolmates batted him for nine hits. Stevens pitched for the home team, and Colby got eight hits off him.

May 2, Andover defeated Bates College in a thirteen-inning game by a score of 7 to 6. It was the most exciting game played here this season. Up to the ninth inning Andover had scored only one run, and Bates had a lead of five runs. Moon, who was dropped from the squad before the Spring vacation and was taken on again three weeks ago, pitched for the home team and was batted freely until he was replaced by Lanigan in the sixth inning. The game showed Andover's weakness through lack of pitchers.

NOTES.

Russell A. Bliss, 1901, of New York has been elected leader of the Glee Club.

At the annual tournament of the Harvard Interscholastic Lawn Tennis Association April 28 and 30, Andover won first place with a score of 13 points, being represented by J. S. Seabury, F. G. Becker, W. Larned, H. A. Gardiner, Jr., and J. H. Williams. Andover's 13 points were scored as follows: Seabury 5; Williams 4; Larned 2; Gardiner 1; Becker 1.

April 30 was the one hundred and twenty-second anniversary of the opening of Phillips Andover. Thirteen pupils presented themselves at the opening session.

The Class Book this year is to be dedicated to Mr. George T. Eaton, Instructor in Mathematics.

St. Mark's News.

St. Mark's has won her first four baseball games with perfect ease. The most unsatisfactory features thus far have been the uniform weakness of her opponents and the one-sided nature of the contests. The batting of the nine has in every game been heavy and timely, the battery work excellent, and the base running good. The fielding is not good, but for this time of year, up to the average. The team plays together fairly well, and is full of life and ginger. The games played so far, with their scores, are as follows: April 14, St. Mark's 10, Boston Latin 5; April 18, St. Mark's 23, M. I. T. 1903 2; April 21, St. Mark's 10, Hopkinson's School 4; April 25, St. Mark's 23, Brookline High 4.

Prof. Wheeler of Yale was to have given his lecture on Waterloo April 25,

but was unable to be here, and in his stead, Mr. Rees gave an exceedingly interesting and comprehensive talk on the Boer War, and the causes which led to it.

The prize speaking for the three lower forms was held on Saturday, April 28, and was perhaps somewhat better than usual, although not noticeably so. The speakers were, from 1903, Draper, Thomas, Tweed, Wheeler; from 1904, Biddle, Ervin, McCullach; from 1905, Eames, Preston, Suydam. The winners will not be announced until the Prize Day exercises in June.

After the resignation of Rev. W. Burnett '72, who had been rector of the village church for many years, Mr. Thayer was elected rector, with the understanding that he might appoint a vicar to assist him in the parish work. The vicar, the Rev. W. H. Hazard, Ph.D., a graduate of Brown University and the Cambridge Theological School, and formerly an assistant at St. George's Church, New York, entered upon his new duties this term. H. Vanderbilt has returned to school, and two new boys, Northup and Hodges, have entered the classes of 1904 and 1905 respectively.
