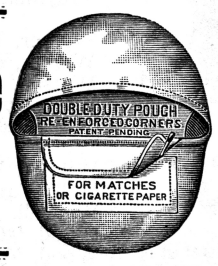
"A slice to a pipeful" is one reason why **Old English Curve Cut** pipe tobacco **is** so popular. The curved tin box that fits any pocket is another reason. No other pipe tobacco has ever made as many friends in so short a time.

"It disappoints no one."

A trial box will be sent to any one anywhere on receipt of ten cents in stamps. Address Old English Department, The American Tobacco Co., 111 Fifth Avenue, New York City. All dealers sell it.

If You Smoke Use the



"Double Duty" Pouch.

Does "DOUBLE DUTY" in a DOUBLE sense, as the POUCH CONTAINS POCKET for MATCHES or CIGARETTE PAPER, and does DOUBLE DUTY in extra wear, owing to SPECIAL CORNER "STAYS." "Acid cured" rubber is apt to wear brittle, or tender (especially black rubber). Our pouches are *not* "acid cured" and are guaranteed *not* to become either tender or brittle in use.

3 Sizes. { No. 4 sells for **60c.** No. 5 sells for **70c.** No. 6 sells for **80c.** } Ask for it at Your Tobacconist's.

If Dealer Cannot Supply, we will mail on receipt of price.
