**THE "OLD RELIABLE" PARKER**  
 once more proves its right to the title, at the . . .  
**GRAND AMERICAN HANDICAP of 1900.**  
 First—H. D. Bates, with 59 straight kills.  
 Second—J. R. Malone, with 58 straight kills.  
 Third—Phil. Daly, Jr., with 31 straight kills.  
 All used the "Old Reliable." Also, as the official records show,  
 54% of the entire purse won with PARKERS.  
 37.5% of all guns winning money were PARKERS, and  
 34.6% of all guns entered were PARKERS, which proves that the  
 PARKER is unquestionably the most popular and "reliable" gun in the World.  
 Send for Catalogue. **PARKER BROS., Meriden, Conn.**
