

(Yale 1900), N. Y. A. C., with 11 ft. 4 in. Colkett, U. of P., was second and Coleman and Horton, Princeton, tied for third.

Two mile steeple chase—Won by Robinson, England, in 11 m. 8½ s. Walker, England, was second and Lloyd, England, third. Orton, U. of P., was the only American competitor and though the course favored him he could not stand the pace and finished unplaced.

The final record was: Americans, 8; Englishmen, 5. Of the eight events the N. Y. A. C. athletes won 4; U. of P., 3; Georgetown, 1.

THE PARIS GAMES.

At the Paris scratch games held on the grounds of the Racing Club of France, in the Bois de Boulogne, Saturday, Sunday and Monday, July 14, 15, and 16, the Americans often outclassed their competitors and won, frequently with ridiculous ease, over the best men of other nations. Their sharpest contests were generally when they met each other in the finals, after the preliminary heats had swept the other competitors away. Kraenzlein, U. of P., proved himself the most remarkable athletic of the times, winning four of the world's championships, the hurdles, the 60 metre race and the broad jump.

SUMMARIES.

100 metres (109<sup>3</sup>/<sub>10</sub> yards) — Jarvis, Princeton, in 10½ s., a world's record. Tewksbury, U. of P., was second and Rowley, champion of New South Wales, third. Duffy, Georgetown, who was called a sure winner, broke a tendon in his leg when leading at the 40-yard mark. He cannot run again this season.

60 metres (65½ yards)—Won by Kraenzlein, U. of P., in 7 s., a new world's record. Tewksbury, U. of P., was second and Rowley, Australia, third.

400 metres (437½ yards)—Won by Long, N. Y. A. C., in 49½, a new world's record; Holland, Georgetown, second, and Schultz, Denmark, third.

Running high jump—Won by Baxter, U. of P., 6 ft. 2½ in. Leahy, of Ireland, was second and Goenzy, Hungary, third. Baxter tried an exhibition jump of 6 ft. 6 in., and barely missed it.

Hammer throw—Won by Flannagan, N. Y. A. C., with 167 ft. 4½ in., or within 3½ inches of his own world's record. Hare, U. of P., was second and McCracken, U. of P., third.

Shot-put—Won by Sheldon, N. Y. A. C., with 46 ft. 2½ in., a new world's record. McCracken, U. of P., was second and Garrett third.

Discus throw—Won by Bauer, Hungary, with 119 ft. 4½ in. Jauda, Austria, was second, and Sheldon, N. Y. A. C., third, about 7 feet behind the winner. Sheldon made several longer throws than the winner, but they were badly placed.

Pole vault—Won by Baxter, U. of P., with 10 ft. 8½ in. Colkett, U. of P., was second, and Andersen, Norway, third. Johnson, N. Y. A. C., did not compete as the contest was held on Sunday.

Running broad jump—Won by Kraenzlein, U. of P., with 23 ft. 5¾ in. Prinstein (jumped Saturday) was second and Leahy, Ireland, third.

400 metres hurdle (437½ yards)—Won by Tewksbury, U. of P., in 57½ s., a new record. Tauzin, France, was second, and Orton, U. of P., third.

200 metres hurdle (218½ yards)—Won by Kraenzlein in 25½ s., a new world's record. Tewksbury was second.

Triple Saut (Hop, step and jump)—Won by Prinstein, Syracuse, with 47 ft. 4¾ in.

The Englishmen won the 800 metres (874½ yards) the 1,500 metres (1,635 yards) and the 4,000 metres (2 miles 840 yards) steeple chases, but lost the 2,500 metre (1 mile 965 yards) to America, Orton, U. of P., winning in the remarkable time of 7 m. 34 s., a world's record. Robinson, England, was second.

Erwy, N. Y. A. C., won the standing high jump with 5 ft. 4½ in., and in the triple jump he cleared 34 ft. 7½ in., both world's records. In the standing broad jump he did 10 ft. 8½ in. In all these jumps Baxter, U. of P., was a close second.

There was a great deal of dissatisfaction about the championship trials being held on Sunday, and a number of the Americans did not compete, the Americans having been given to understand before they left the United States that they would not have to compete on the Sabbath. The result, however, would not have been changed with the exception of Johnson, N. Y. A. C., in the pole vault.

The score by countries is as follows:

	Firsts.	Seconds.	Thirds.
America .....	17	13	12
England .....	3	2	1
Hungary .....	1	1	1
France .....	—	2	2
India .....	—	1	1
Australia .....	—	—	2
Ireland .....	—	1	1
Denmark .....	—	1	1

THE HANDICAP GAMES.

After the scratch events were finished there were several days of handicap games, but as all the Americans were obliged to perform under big penalties few victories were recorded for them.

DR. EDSON F. GALLAUDET, YALE '93. (Resigned as Instructor in Physics in Yale. He has been Head Coach for the Yale Crew for two years.)

Minnehan, Georgetown, won the 100 metre handicap in fast time with his college mate Holland second; Remington was third in the high jump, and though he cleared 24 ft. 3½ in. in the broad jump his handicap was so heavy that he was unplaced.

We are here

All Summer

When you are out of things, it may be convenient to remember it. Unless you are so far in the wilderness that neither mail nor express can reach you, we can serve you. We have about everything a man needs to wear, or likes to wear.
